### PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center IP1a (DIA). The photographic analysis for this particular report was performed by the Production Center IP1a.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

### SUMMARY

This military camp and training area is located approximately 45 kilometers (km) west of Volgograd and 5 km east of Marinovka (Figure 1). The military camp covers approximately 500 acres and contains 38 buildings, 2 motor vehicle parks, and an ammunition storage site with 4 revetted buildings (Figures 2 and 3). The training area, immediately north, covers 1,400 acres and contains a moving-target tank firing

range, numerous revetments, weapon emplacements, and unoccupied gun emplacements.

25X1D

### DESCRIPTION OF INSTALLATION

#### Railroad Service

A single-track rail line serving Volgograd and Marinovka passes immediately south of the installation.

#### Road Service

A secondary all-weather road parallel to the rail line provides access to Volgograd and Marinovka. The area itself has a good internal network of roads, most of which are all-weather roads which connect the military camp to the training area.

#### Aircraft Landing Strip

The nearest airfield is at Marinovka.

#### Administration and Troop Housing Area

Area D contains 2 multistory barracks, 3 administration buildings, 6 storage buildings, and 27 support buildings.

#### Ammunition Storage Area

Area F contains 4 revetted ammunition storage buildings.

#### Other Buildings and Facilities

Area H contains 2 range control buildings. These are located about 300 meters from the moving-target tank firing ranges.

#### Equipment Storage/Maintenance Areas

Area J1 is a motor park measuring approximately 800 by 600 feet. This park contains a row of 15 vehicles and a row of 3 vehicles.

Area J2 is a motor park measuring 400 by 370 feet. This park contains 15 to 20 possible vehicles in each of 2 rows.

#### Tank/Assault-Gun Firing Ranges

Area N contains a 4,000-foot firing range with three 3,400-foot lanes, one 2,700-foot lane, and 6 moving targets.

#### Infantry or Combined-Arms Field Training Area

Numerous weapon emplacements, revetments, and unoccupied gun emplacements are scattered throughout the training area.
